

Transfer of Host Responsibilities Checklist

Current Host Sam Sakla

New Host Name James Diffenderfer

VTS# 110582

Date 6/10/2026

Per Department of Energy Order 142.3B chg 1, *UNCLASSIFIED FOREIGN NATIONAL ACCESS PROGRAM*,

"The host **must** be identified to the foreign national as his/her POC, and has the following responsibilities:

- 1) Ensure compliance with all requirements for access approval and conduct, including complete and accurate information for Foreign Access Central Tracking System (FACTS) documentation, compliance with Site Security Plan and sponsorship requirements, and notification to workers regarding these requirements as appropriate.
- 2) Serve as the individual responsible for the conduct and activities of the foreign nationals for which he/she is identified as host.
- 3) Report suspicious activities in accordance with reporting requirements.
- 4) Provide the following information to the foreign nationals for whom they have been identified as hosts:
 - a. The terms and conditions of access approval, including restrictions and requirements to notify the host of changes in name, immigrant/nonimmigrant status, and other information as required.
 - b. The requirement to notify the responsible host of any civil or criminal issues that could affect their status in association with DOE.
 - c. That failure to provide appropriate documentation when required or providing fraudulent documentation will result in suspension of access approval, removal from the site, and possible cancellation of future access."

By signing below, I certify that all information pertinent to this visit has been reviewed and understood. I acknowledge my responsibilities as a host of foreign nationals at a NNSA Laboratory.

This checklist must be received by the Foreign Visits and Assignments office prior to final approval.
